- Canceled -

Due to the flooding situation in Bangkok, we are sorry to inform you that the IC/KM workshops will be canceled. We are really sorry for any inconvenience it may cause and we are looking forward to see you in our future IKI-SEA events. Please contact [Khun Laddawan](#) for further information.

- Canceled -

The IKI-SEA at Bangkok University is proud to announce a day of special workshops on Knowledge Management and Intellectual Capital, with international experts from 8 countries delivering 15 different workshops, including two in the Thai language. Get more information from our [workshop Web site](#) and **register soon since seats are limited!**
