## Registration is closed!

We are pleased to announce another exciting event on **October 25th, 2011**.

Together with the [National Innovation Agency](#) (NIA) we were able to invite Prof. Dr. William E. Halal, best selling author and globally renowned technology expert and futurist, to give a talk **Innovation Revolution: Technological Breakthroughs and Business Opportunities**.

The event will take place at the Siam City Hotel, close to the Phaya Thai BTS station.

If you would like to register please fill out this [form](#) and we will contact you as soon as possible. If you are among the 30 first registrants you are eligible to a special discount rate of 3000 THB (4500 THB regular price).

More information about the event are available on the [seminar page](#).
