

May 16th was the kickoff date for the Innovation and Knowledge Management Club (iklub). Thirty companies were represented by their knowledge management and innovation management teams. This first meeting, followed by a good lunch at the Siam Novotel, was a success. We would like to thank all of those who joined for your valuable suggestions and ideas. Updates have been made to the membership fees to encourage more members to join our club of practitioners (not for profit). At the bottom of this email you will find all the updated documents and the InK-News (Free monthly KM and IM News for iklub members). As we agreed to meet every 2 months on the first Wednesday of the month, our next meeting will take place on Wednesday July 4th at the Novotel Siam from 9:00Am – 12:00Pm. The meeting will be followed by lunch.

This event is free of charge for everybody, as it is the first event that goes beyond the club introduction and ideas.

We are very excited to announce that on the 4th of July, the KM team of the Advanced Info Service Plc. Company, will share with all of us their successful KM journey at AIS. This will be the first presentation of a series of KM presentations made by various Thai and International Organizations.
