---

Every year Teleos and [The Know Network](#) award the Global Make Award that recognizes the Most Admired Knowledge Enterprises around the world. The award is based on the Delphi method. Nominees go through three rounds of assessment. Out of the 112 nominated organizations, 20 were recognized as Global MAKE Winners 2012. The Global Make Award Report is available [here](#) .

At the same time Teleos and The Know Network recognize The Asias Most Admired Knowledge Enterprises. The list of winners can be found [here](#) .
