

Free Event with Dave Snowden: Knowledge and Innovation

Written by Christian Walter
Tuesday, 28 May 2013 16:07

Knowledge and Innovation

Thursday **6th June 2013** / 6pm to 8pm
at **Bangkok University City Campus** (Rama 4 road)
Building 9

FREE EVENT

Dave Snowden is the founder and Chief Scientific Officer of Cognitive Edge. His work is in the area of naturalising sense-making, seeking to base social science research and practice in the natural science. He is generally considered to be a pioneer in the application of complex adaptive systems theory to a range of social issues. His work extends across government and industry in a variety of fields including knowledge management, strategic planning, conflict resolution, weak signal detection, decision support and organisational development.

Complex order emergent Emergent	Complicated order emergent Best Practice
Chaotic No order No emergent Novel	Simple order emergent Best Practice

Logos: BANGKOK UNIVERSITY, PHD-KIM, iklub, Au Bon Pain

Appetizers Sponsored by **au bon pain**
