

The conference aims to

- Provide a cross-cultural platform for the Knowledge Management practitioners and academics in Asia to network with their counterparts in the West and vice versa.
- Discuss the topics of mutual interests and navigate together the next generation of Knowledge and Innovation Management
- Enhance international networking and collaborations

All topics of Knowledge Management and Innovation Management are welcome. More information about the focus topics can be found [here](#) .

Selected papers will be recommended for publication in the regular or special issues of the following academic journals subject to their normal review procedures. These journals include:

- The Learning Organization (Emerald)
- VINE: The journal of information and knowledge management systems (Emerald)
- International Journal of Knowledge and Systems Science (IGI Global)
- International Journal of Asian Business and Information Management (IGI Global)
- International Journal of Learning and Intellectual Capital (Inderscience)
