IKI-SEA is proud to support the Knowledge and Innovation Forum 2009 (KIF) on "Systems Thinking" that will be held in Bangkok on November 25, 2009. Among the distinguished speakers, Michael Goodman, Pioneer and Author of Applied Systems Thinking will be the Keynote speaker. Dr. Vincent Ribiere (our Managing Director) will also be part of a panel discussion. [Learn more about this event organized by KMPCA](#)
